**NOTICE OF PUBLIC HEARING
BEFORE THE
LEWIS COUNTY BOARD OF COUNTY COMMISSIONERS
AND
NOTICE OF INTENT TO ADOPT ORDINANCE NO. 1235, AMENDING
CHAPTER 9.10.030, LEWIS COUNTY CODE**

NOTICE IS HEREBY GIVEN that the **LEWIS COUNTY, Washington Board of County Commissioners** will hold a public hearing on **December 19, 2011**, to receive public testimony concerning adoption of Ordinance No. 1235, amending Chapter 9.10.030 Lewis County Code, to add a new subsection (e) providing an exemption for ammunition testing at an authorized ammunition manufacturing facility. The hearing is scheduled to commence on or after 10:00 a.m., December 19, 2011, in the Commissioners' Meeting Room in the Lewis County Courthouse, second floor, at 351 NW North St., Chehalis, WA. Anyone wishing to testify concerning the proposed ordinance should attend and be heard.

The following summarizes the proposed Ordinance No. 1235:

Under existing County Code Chapter 9.10.030, discharge of a firearm is prohibited within a "no shooting zone." Exemptions allow discharge under certain conditions. No exemption currently exists for lawfully operating ammunition manufacturing facilities. Testing is not allowed in "no shooting" zones. The proposed ordinance would provide for an exemption, allowing the discharge and testing of ammunition by an authorized manufacturer in facilities designed for such testing and as approved by the Lewis County Building Official.
